Homecoming week was spent working on floats to fit the theme of movies. Jerry Rivard (above) shows surprise when hearing that the Freshman float took first prize.

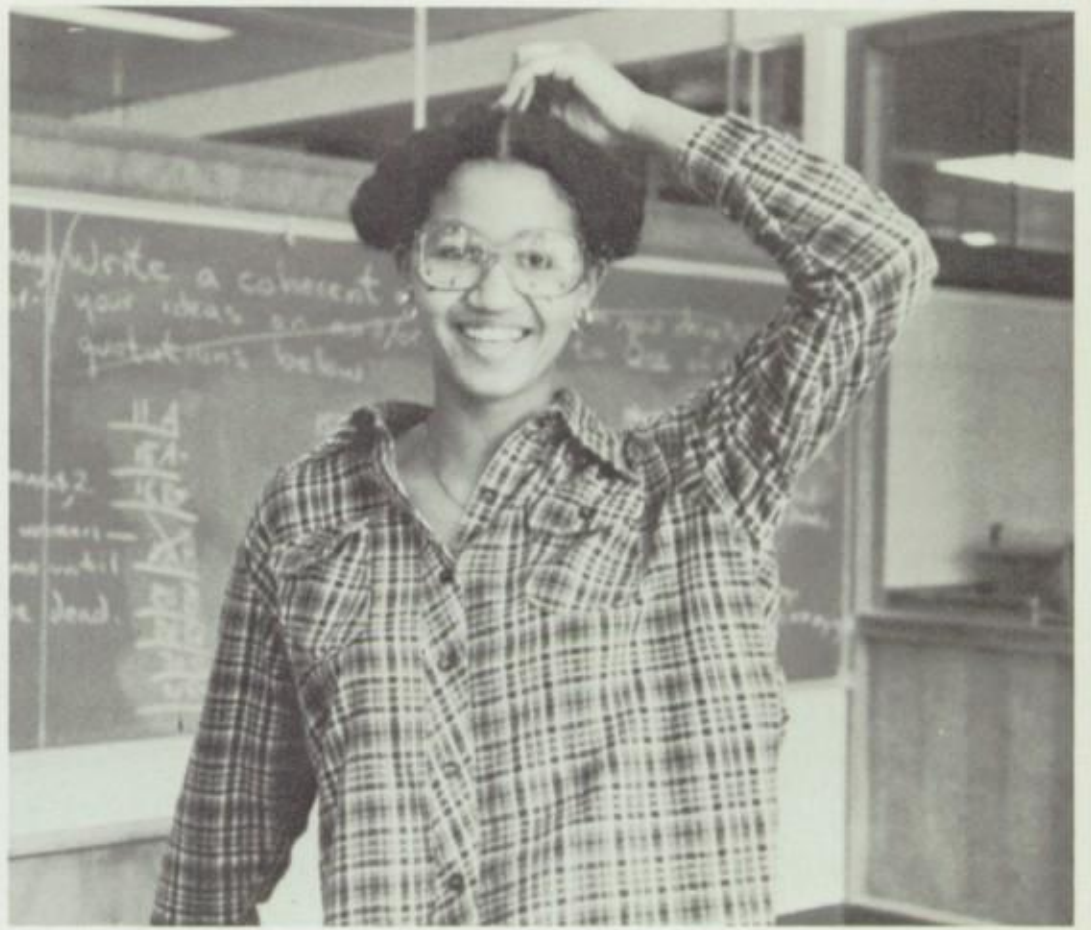

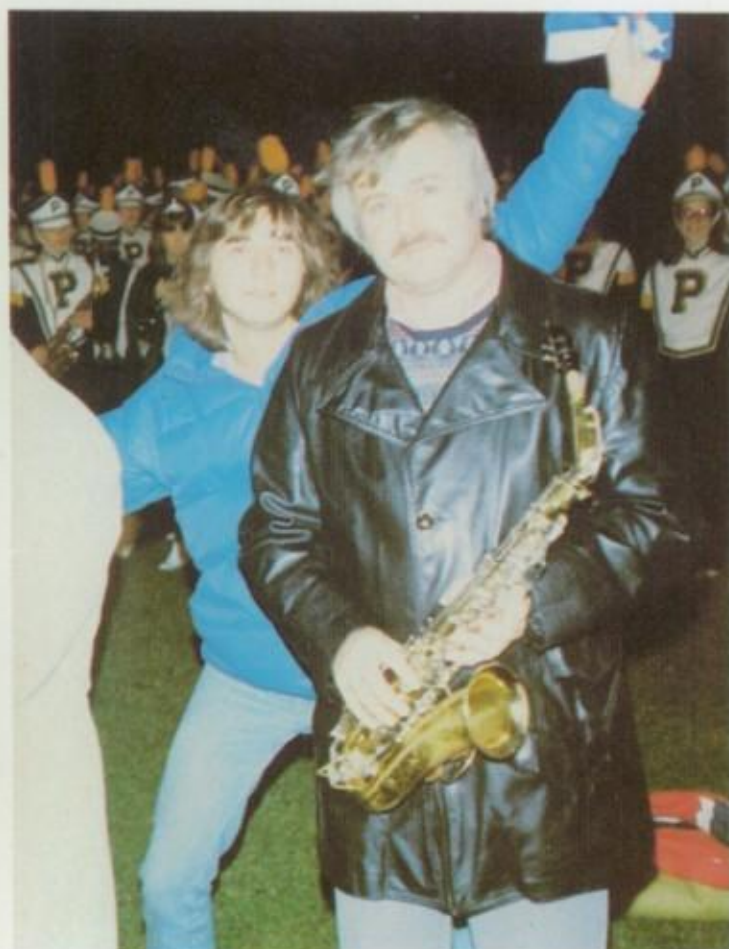

Homecoming activities included pre-game excitement, band performances, a dance, and "match day". Brian Price (above) sits back and reflects on the busy week.

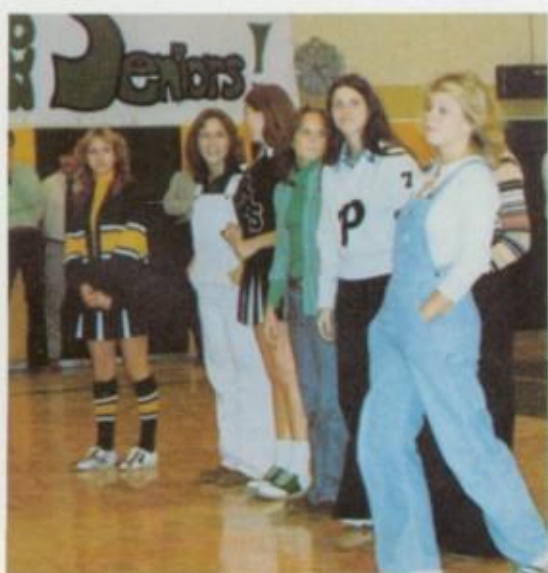

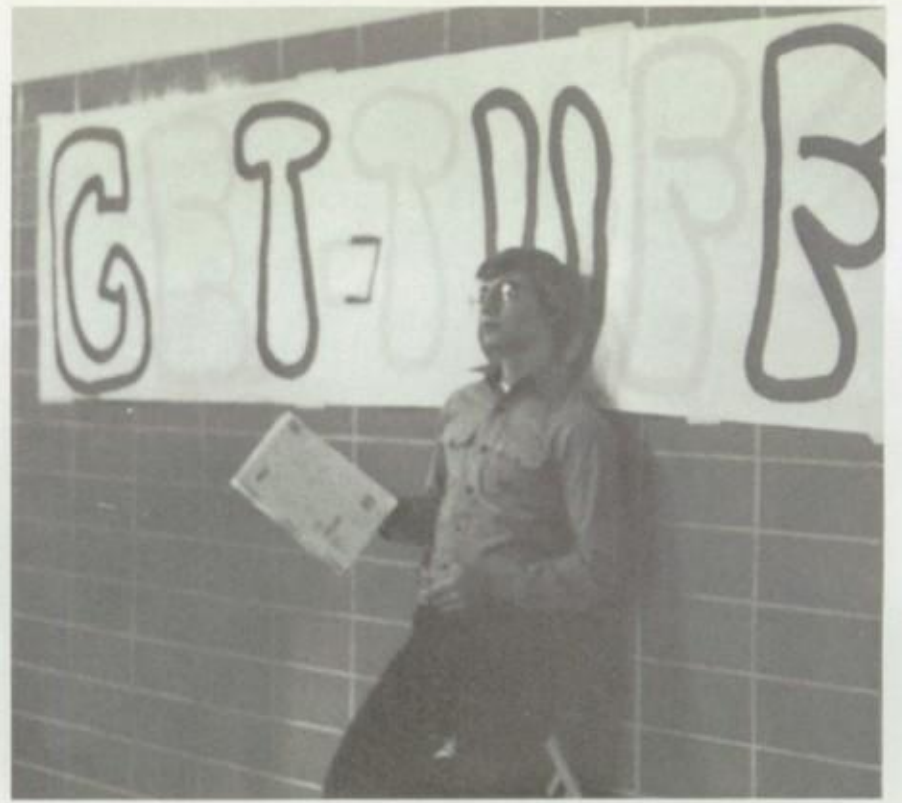

October 7, 1977 was the day of the Homecoming game and the big pep assembly. The freshmen are pictured in a futile effort at the assembly, right.

T. Hawblitz and V. Burns lead the band, left, at the beginning of the Homecoming assembly.

COME SAIL AWAY

I'm sailing away.
Set an open course for the virgin sea,
for I've got to be free,
free to face the life that's ahead of me.

On board I'm the captain,
so climb aboard.
We'll search for tomorrow
on every shore,
and I'll try, oh Lord, I'll try
to carry on.

I look to the sea;
reflections in the waves
spark a memory --
some happy, some sad.
I think of childhood friends
and the dreams we had.

We lived happily forever,
so the story goes,
but somehow we missed out
on the pot of gold.
But we'll try the best we can
to carry on.

A gathering of angels
appeared above our heads;
they sang to us
this song of hope,
and this is what they said.

Come sail away
come sail away
come sail away with me.

I thought that they were angels,
but much to my surprise
we climbed aboard their starship
and headed for the skies.
